

“...you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in **Jerusalem** and in all Judea and Samaria, and to the end of the earth.”

ACTS 1:8, ESV

Will you support local gospel missions work with us?

The Cross Current (TCC) is a local missions ministry that equips the Church by example to normalize sharing the gospel in all personal and community relationships.

Jesus said to go to Jerusalem first (Acts 1:8), because missions must start right where we're standing. That's why we all need to serve and support local gospel missions work.

Further, because our ministry lives and ministers locally, this also means that when you support TCC, you support **local missions, local missionaries, and local churches**...right here at home.

LOCAL MISSIONS

When you support The Cross Current, you support local missions.

When you pray and give as a gospel missions partner with TCC, you support us to support you and other Christians with the training and tools you need for your own gospel witness with lost loved ones.

"I used to be quite fearful of opening my mouth about Jesus. But walking with TCC helped me hear and normalize sharing my faith, and now I am much more confident in personal evangelism." ~ Deanna C.

LOCAL MISSIONARIES

When you support The Cross Current, you support local missionaries.

When you pray and give as a gospel missions partner with TCC, you support us sending more missionary evangelists to our local mission field to equip Christians and entire churches for evangelism together.

Testimonies from our **Missionary Evangelists** we're sending to the field:

"So much of our witness for Jesus is done alone. Having the support of local gospel partners who share our burden for equipping the saints to engage the culture locally is so encouraging and empowering for me." ~ Randy Scott, TCC Missionary Evangelist (Support-Raising)

"I'm so personally passionate about serving with TCC as a missionary evangelist because there is no other organization in Canada so uniquely zealous and prepared to equip the church for evangelism." ~ Aaron Best, TCC Missionary Evangelist (Support-Raising 2026)

"My passion to be an equipping evangelist was ignited through the EETN! I was disciplined and transformed by this process, and now I'm driven to see other Christians equipped by example for evangelism as well." ~ Keith Tinson, Equipping Evangelist/EETN Champion (Volunteer)

LOCAL CHURCHES

When you support The Cross Current, you support local churches.

TCC serves pastors and church leaders to help unify and multiply their churches in gospel mission through coaching an in-house equipping evangelist to disciple their own congregants in evangelism.

Testimony from our new **Church Leader Relations** team member:

"God does much more than we can ask for or imagine. I'm so excited to be using my gifts and ministry experiences to serve other pastors and elders as Church Leader Relations with TCC, and so looking forward to seeing God work through us to unify and multiply His Church in the coming days!" ~ Dan Anderson, TCC Church Leader Relations & Pastor with Pinery Church
