YOUR CHURCH UNITY REPORT

"The glory that you have given me I have given to them, that they may be one even as we are one"
~ Jesus, John 17:22 ~

Jesus prayed that we as His Church would become perfectly one even as He and the Father are perfectly one. Why? So the world would believe and receive God's love, and see His glory demonstrated through His gospel (Jn. 3:16; 17:20-23; Rom. 5:8).

Following Christ's example, Paul the Apostle encouraged us to love one another according to our spiritual gifts, and he also implored church leaders to equip the saints for the work of the ministry to attain unity in the Body of Christ (1 Cor. 11:1; 12:12; Eph. 4:11-13).

The Church Unity Report will combine the results of all individual leader and member surveys submitted to determine category by category your church's collective unity with Christ, His Gospel, and each other toward helping you grow stronger in His Great Commission together.

REVIEWING YOUR RESULTS

Each gospel health category in your report contains the following analysis of combined results:

Unity: According to the combined results of your individual Gospel Health Reports, it appears that your core leaders and church members are experiencing biblical unity in this category.

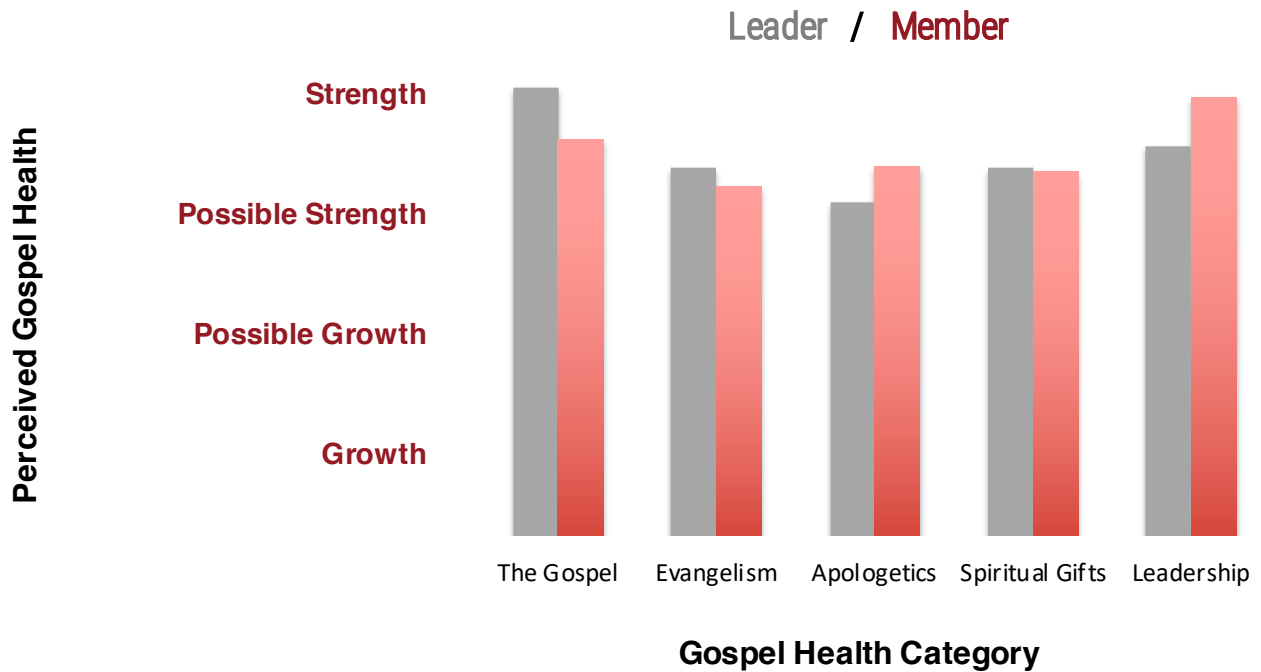

Possible Unity: According to the combined results of your individual Gospel Health Reports, it appears that your core leaders and church members are generally unified in this category but could benefit from further equipping together.

Possible Disunity: According to the combined results of your individual Gospel Health Reports, it appears that your core leaders and church members are in danger of experiencing disunity in this category and specific equipping is strongly encouraged.

Disunity: According to the combined results of your individual Gospel Health Reports, it appears that your core leaders and church members are experiencing disunity in this category and are in danger of division if focused equipping doesn't urgently happen.
